## Letters to Lithuanian Government Figures and Legal Actions – As of 5/11/26

### Note on Sherman canonical URL: All three Sherman letters (September 25, 2019 to PM

Skvernelis; May 25, 2021 to Amb. Plepytė; March 20, 2026 to Amb. Varvuolis) and the November 10, 2020 letter on Brazaitis cite the single TOI compilation file at /2026/03/Congress-on-Brazaitis.pdf. This is consistent with Gochin's standard citation practice in "The True Face of Lithuania" (Substack) footnotes 5/7/9 and the JNS article "US Congress Exposes Lithuania's Holocaust Fraud."

[https://grantgochin.com/wp-content/uploads/2018/03/letter\\_ombudsman\\_brazaitis\\_20180316-1.pdf](https://grantgochin.com/wp-content/uploads/2018/03/letter_ombudsman_brazaitis_20180316-1.pdf) | TOI canonical: [https://static-cdn.toi-media.com/blogs/uploads/2026/05/letter\\_ombudsman\\_brazaitis\\_20180316-1.pdf](https://static-cdn.toi-media.com/blogs/uploads/2026/05/letter_ombudsman_brazaitis_20180316-1.pdf)

- June 2018 — I filed a claim with the Lithuanian Genocide Center (LGGRTC), demanding review and withdrawal of their false Holocaust findings on Captain Jonas Noreika "(General Storm)". Public intimidation of academics in Lithuania proved almost insurmountable, as only one American resident academic would accept this research job, Dr. Andrius Kulikauskas. He accepted on condition that he alone would construct and provide the historical study. He submitted 42 pages of questions such as why such false statements were published, and why was there nothing but resolute silence about the actual history. <https://grantgochin.com/wp-content/uploads/2020/06/noreika-research.pdf> | TOI canonical (augmented edition with Kulikauskas museum curatorial introduction and Silvia Foti confirmation letter dated 2018-05-25 prepended): <https://static-cdn.toi-media.com/blogs/uploads/2026/05/Jonas-Noreika-Inquiry-to-LGGRTC.pdf>

- June 26, 2018 — A letter was sent to LGGRTC regarding the timeframe of Kazys Škirpa investigation. The letter is in response to LGGRTC letter sent to my attorney on 05/28/2018, in which LGGRTC claimed they need more time to perform a "historical analysis." <https://grantgochin.com/wp-content/uploads/2020/11/rastas-del-Skirpos-uzklauskos-nagrinejimo-termino-GRC-ir-OMB-2018-06-26-Grant.pdf> | TOI canonical: <https://static-cdn.toi-media.com/blogs/uploads/2026/05/rastas-del-Skirpos-uzklauskos-nagrinejimo-termino-GRC-ir-OMB-2018-06-26-Grant.pdf>
- June 26, 2018 — Letter from Grant Gochin to LGGRTC demanding timeline for LNP (Lietuvos Nacionalistų Partijos) Holocaust-collaboration investigation, citing LGGRTC's own October 24, 2017 reply Ref. 14R-94 in which LGGRTC admitted in writing that (a) surviving historical documents demonstrate LNP's antisemitic ideology, (b) personal responsibility of LNP leaders and members for Holocaust crimes, (c) comprehensive research on LNP-Holocaust collaboration had not been conducted in 20 years of LGGRTC

operations, and (d) it would be appropriate to take up LNP investigation as a separate research topic. Eight months after that written admission, no investigation initiated; the letter documents LGGRTC's continued institutional inaction after written admission of the evidentiary basis. <https://static-cdn.toi-media.com/blogs/uploads/2026/05/rastas-del-LNP-veiklos-tyrimo-perspektyvu-GRC-2018-06-26-Grant-copy.pdf>

- November 20, 2020 — Despite having four US attorneys explain that their false representations that Brazaitis had been "completely exonerated" by US Congress, and "rehabilitated" they would not relent in their historical fraud campaign. Finally, US Congress stepped in.

They have still not retracted their falsifications. Here I again request they cease their historical disinformation campaign.

## III. Legal Actions and Filings

### A. Lithuanian courts, ECHR, UN, LGGRTC Director General application

- Master litigation file — Noreika litigation file — consolidated TOI anchor for the Noreika-related court and litigation record. <https://static-cdn.toi-media.com/blogs/uploads/2026/05/Litigation-file-Noreika.pdf>
- October 2008 — LGGRTC defendant reply in Vilnius District Administrative Court litigation (Atty. Kristina Čeredničkenkaitė, English). <https://static-cdn.toi-media.com/blogs/uploads/2026/05/2008-10-reply-to-plaintiff-complaint.pdf>
- May 30, 2017 — I filed a Lawsuit against the Heritage Department. The suit was dismissed on a suspect technicality, followed by an appeal submitted to the Lithuanian Supreme Administrative Court. This appeal was granted and the case was sent back to the Lower Court which then rejected the case on a different technicality, brought by the same Judge from the previous dismissal. No further action taken. <https://grantgochin.com/wp-content/uploads/2017/06/heritage-legal-action.pdf> | TOI canonical: <https://static-cdn.toi-media.com/blogs/uploads/2026/05/heritage-legal-action.pdf>
- June 15, 2017 — Vilnius Regional Administrative Court ruling, Case No. eI-3995-281/2017 (court process No. 3-61-3-01918-2017-2), Judge Mefodija Povilaitienė. First procedural ruling on Grant's June 8, 2017 complaint against Cultural Heritage Department's April 5, 2017 letter Ref. (11.13)2-794 — court identifies deficiencies, requires Grant to reformulate complaint as annulment claim against the April 5, 2017 letter, prove receipt date, request term extension if missed, and provide attorney representation contract. Deadline to fix: July 3, 2017. Not appealable. <https://static-cdn.toi-media.com/blogs/uploads/2026/05/2017-06-15nutartis-dokumenteI-3995-2017.pdf>
- August 2, 2017 — Lithuanian Supreme Administrative Court (LVAT) ruling, Case No. eAS-680-502/2017, three-judge panel (Artūras Drigotas rapporteur, Dalia Višinskienė chair, Virginija Volskienė). Grant won the appeal: LVAT annulled Vilnius Regional Administrative Court's July 3, 2017 ruling that had treated Grant's complaint as not filed for failure to request term extension, holding the first-instance court misapplied procedural rules — court should first adjudicate whether the statutory deadline was actually missed before treating complaint as not filed. Case remanded to first-instance court for new consideration. Not appealable. <https://static-cdn.toi-media.com/blogs/uploads/2026/05/2017-08-02nutartis-bylojeeAS-680-502-2017.pdf>

- August 8, 2017 — Vilnius Regional Administrative Court second ruling on remand, Case No. eI-3995-281/2017, same Judge Mefodija Povilaitienė as the June 15 ruling. Court refused to accept the complaint on the deadline ground LVAT had instructed it to actually adjudicate: April 5, 2017 letter received April 10, 2017 → one-month statutory deadline expired May 10, 2017 → complaint filed June 7, 2017 was late. Refused under ABTĮ 33 §2 pt 9. 22.50 EUR court fee returned to Atty. Rudzinskas. Appealable within 7 days; per Para 125 narrative summary, no further action was taken — completing the 2017 Heritage Department litigation track. <https://static-cdn.toi-media.com/blogs/uploads/2026/05/2017-08-08nutartis-dokumenteDOK-13799.pdf>

- May 20, 2020 — I filed a Civil claim in the Vilnius Regional Court. My claim was based on tort doctrine, not a solid defense in Lithuania, but elsewhere based on the right of the supplicant requiring the need to act in a lawful way, and compensate any damage caused by any unlawful activities of which they may be accused. - August 10, 2020 — Cassation review is possible only if the law is incorrectly applied or interpreted. This also breaks new ground with no prior case law as history. ## V. Lithuanian Government Responses Received

### A. Letters, decisions, memoranda issued by Lithuanian state institutions

- July 2, 2015 — LGGRTC (The Lithuanian Genocide and Resistance Research Center), provided a report to Mayor Šimašius claiming that Jonas Noreika participation in Holocaust atrocities is unproven and he is therefore innocent. They claim there exists no reliable information that Noreika ever participated in human rights violations or atrocities of any kind. <https://grantgochin.com/summary-of-legal-actions-5-10-15-6-22-20/> | TOI canonical: <https://static-cdn.toi-media.com/blogs/uploads/2026/05/A50-23885-20150702.pdf>
- October 21, 2015 — Only then did Mayor Šimašius respond with a refusal. He stated that he does not wield the Administrative Power to make such a change. He claimed that the City of Vilnius does not have proprietary interest over the monument (a false statement). He sent me further afield by referring the matter to the CEO of the Academy of Science. <https://grantgochin.com/summary-of-legal-actions-5-10-15-6-22-20/> (no document copy located; refusal communicated by Vilnius mayor's office October 21, 2015)

- November 16, 2015 — A public statement claiming blasphemy by the nineteen signatories, besmirching true Lithuanian Patriots. It is claimed that this petition is yet another by "Agents of the East (enemies of the State), Jews and other stupid people."

- May 26, 2018 — Lithuanian Ministry of Foreign Affairs reply (Ref. (19.2.1)3-2853, Vice Minister Darius Skusevičius signing on instruction of FM Linas Linkevičius) confirming Linkevičius personally chaired the Kazys Škirpa reburial commission (PM directive 1994-09-29 Nr. 539p), organized the reburial events under Government order 1995-06-12 No. 397, and delivered the speech at the Petrašiūnai Cemetery ceremony on June 16, 1995; defending that the Minister “knew no more than what historians had revealed by 1995” about Škirpa’s and LAF’s antisemitic incitement 1940–1941, and deferring all historical evaluation to the International Commission established by President Adamkus’s 1998-09-07 decree. - March 2022 — Genocide Center refuses to re-open. They claim this issue was resolved by the Administrative Courts. In fact, the Court said they did not adjudicate such cases, so this is a dishonest delaying tactic. It means the government of Lithuania sticks by their Holocaust fraud. <https://static-cdn.toi-media.com/blogs/uploads/2026/05/Atakymas-G.A.-Gochin-ir-jo-advokatui-R.-Rudzinskui.pdf>
- March 30, 2022 — The Parliament of Lithuania declined to hear my most recent appeal. They say that I refer to facts, and they do not assess these facts. In fact, my appeal was about antisemitism. Parliament suggests I go to Court. But the Lithuanian Courts refused to consider the facts either, so they have set up a whole circle where each one refers to the other, and nobody will consider Lithuania's national antisemitism or Holocaust fraud. It is collusion.
