1. Purpose and use

This register accompanies the article “Lithuania Shields Its Falsehoods and Tries Fridman” (Substack, 25 October 2026: grantgochin.substack.com/p/lithuania-shields-its-falsehoods). The article is commentary. The exhibits are the evidence. Each exhibit is listed with its issuing authority, date, the article section it supports, where a complete copy can be obtained, and any restriction on use. A recipient should rely on the exhibits, not on the article’s characterization of them.

Status of copies:

- **PUBLIC:** a complete copy is publicly hosted at the address given.
- **ON FILE:** a complete copy is held by the author and is supplied directly to a recipient on request.
- **CASE FILE:** the document is part of the file in Vilnius City District Court case 02-2-00512-24. It is not annexed and not published by the author. Only the defense can place it before a tribunal, and only in a form the defense chooses.

Lithuanian quotations in the article are the author’s renderings.
