@ [REDACTED] @ [REDACTED] one thing, is that until this Oct. 7 issue has been resolved we should not be using any images by Hassan Eslaiyah, Yousef Masoud, Ali Mahmud, and Hatem Ali.

we cannot use him until this blows over. we just can't. however much we may think this report is bullshit, this has gone ballistic. we need to follow some procedures and this is one of the main ones.

██████████@s.whatsapp.net ██████████

11/09/23 02:28:46 PM
how many photos did we use from Yousef Masoud on the 7th and how many were we sent in total. would you know that?
ISRAEL TIMESTAMP: 11/09/23 05:28:00 PM

██████████@s.whatsapp.net ██████████

11/09/23 02:34:26 PM

██████████ I know this is awful and you feel like you are in the middle of a shark tank. We have been there before. It feels like you are drowning. But it will get better. The world of social media is a cesspool of people who know nothing and write like they do. And everyone is quick to assign motive. Just breathe. And keep working through it step by step. I have learned painfully that trying to swat down every buzzing fly just makes it worth and continues to feed the uproar. We need to be steady and factual in our response.

██████████ is actually very good at this.

ISRAEL TIMESTAMP: 11/09/23 05:34:00 PM

██████████@s.whatsapp.net ██████████

11/09/23 02:38:57 PM

And everyone is missing the point... that without the photographers doing their job and racing to the border there would be no visual record of the incursion. It is important in the span of history that they were there. That story will be told once the dust settles.

ISRAEL TIMESTAMP: 11/09/23 05:38:00 PM

██████████@s.whatsapp.net ██████████

11/09/23 02:39:48 PM

The hate and anger directed at ██████████ ██████████ and the AP when the famous falling man was published has now been replaced with praise.
