

An Open Appeal from the People of Gaza

Gaza 27th September 2025

To President Donald J. Trump

Dear President Trump,

We, the people of Gaza, turn to you at a time of immense tragedy and need. Our homes are destroyed, our families are grieving, and our children know only fear. Yet in this darkness, we see a leader who has always spoken of doing what others could not—of making the deals and decisions that change history.

Mr. President, Gaza is not only a humanitarian crisis. It is a moment of destiny. The world is watching, and history is waiting for a leader with the courage to act. You have the power to succeed where others failed: to stop the bloodshed, protect innocent lives, and set the stage for a just and lasting peace.

No voice today carries more weight than yours. With one decisive call for a ceasefire, for protection of civilians, and for the flow of humanitarian aid, you could alter the course of this conflict and shape a legacy that endures for generations.

This is your opportunity to be remembered not only as President of the United States, but as the leader who stood up for humanity when it mattered most. The people of Gaza—and millions across the world—would never forget the moment when Donald J. Trump brought life, hope, and dignity back to a place of despair.

Mr. President, we ask you to stand with Gaza, stand with the innocent, and stand with peace. History will forever remember you for it.

With hope and respect,
In the name of the people of Gaza
